WOMEN IN PROPERTY SOUTH WALES SATELLITE BRANCH

Building Tour: 'The Atrium'

University of Glamorgan, Cardiff Campus

Wednesday 4th June, 5.30pm for 6pm

The Atrium, Adam Street, Cardiff

The South Wales Satellite Branch is pleased to be holding a tour of one of Cardiff's newest educational buildings – The Atrium - designed by local architect, and event sponsor, Holder Mathias.

The tour will be given by Professor Peter Robertson, Dean of the School for Creative and Cultural Industries, and our guest speaker for the evening is Stephen Hill, Director, Holder Mathias and the architect behind the design of the project.

The Atrium is home to the University of Glamorgan's School for Creative and Cultural Industries and boasts an array of high-tech media facilities and equipment.

The project itself involved refurbishing the former BT building, to the East of the site, which the University had purchased, and adding to it the new extension to the West, which houses cinemas, theatres, performance spaces and recording studios; The carefully designed space between old and new is 'the Atrium'.

The evening will also include a networking buffet.

Please let us have your reservation(s) as soon as possible and no later than **19th May**.
Please note: Places are limited and are available on a first come, first serve basis.
