

# The Secrets of Professional Networkers

## Great networkers are born as well as made. (CPD Points)

\*\*Any attendees to this Event will get to try out there new skills free of charge at our next event – Chocolates & Fizz, Bring a colleague – where you get to make your own chocolates, have a glass of champagne, Network and introduce your colleagues to Women in Property\*\*\*

The fact remains that most people function as amateurs rather than professionals when it comes to attending business events, establishing connections and making conversations count. In this keynote presentation for Women in Property, Rob Brown the motivational presenter shares the three key differences between the average and the exceptional when it comes to networking.

Rob Brown is a trusted by many major PLC's including **Geldards Law Firm, KPMG, HSBC, Lloyds TSB, Barclays**, and various networking and leadership groups such as **Elite** and the **Academy of Chief Executives**. "All of my work helps you and your people **network better, generate more referrals, build trust and credibility into your relationships and become the 'go to' professionals for what you do**" Rob Brown.

Rob will also be presenting his **TRIP System®** of books, which stands for **Turning Relationships Into Profits**. A must-see for even the most experienced of networkers!
