

SOUTH WEST BRANCH - BRISTOL
Cooking and Networking at Bordeaux Quay

15 July 2008

After the sell out success of our first networking lunch at Bordeaux Quay, we have decided to re-run this event. Bordeaux Quay is renowned for its sustainable ethos, always seeking to reduce energy consumption, food miles and waste. Its cookery school follows this model returning all revenues generated back to the local community and local schools through its work on sustainable living. It is also renowned for its great food! So why not join your fellow members and their guests for a networking lunch with a difference. Members and their guests will be treated to a bespoke cookery class on arrival followed by the opportunity to network over a two course lunch in the restaurant.

Please note that numbers are limited to a maximum of 25 people. Therefore, to avoid disappointment, please let me have your bookings as soon as possible and, in any event, by **1 July 2008**. Please note that bookings will not be accepted without payment or after 1 July 2008. We regret that in the event of non-attendance, payment cannot be refunded.
